Book Synopsis

Had Enough Of Working Because You Have To? Tired Of Wasting Your Life On Paying Bills Instead Of Actually Living? Then Discoverâ€¦ Exactly How You Can Set Up As Many Residual Income Streams As You Want, So You Can Have The Freedom To Do What You Love!â€¦ If you want the freedom in life to do what you love, donâ€™t want to depend on working 40 hours a week just to pay your bills and simply donâ€™t have the time or money to start up your own business, keep readingâ€¦ You live in a country where you have the right to choose the way you live your life. This freedom of choice is great if you want to live a comfortable life filled with free time to spend with your family, friends and do all the things you love. However, your freedom also gives you the choice to live paycheck to paycheck, work 40 hour weeks and be a slave to money and the things you spend it on every single month. And whatâ€™s the point of all your freedom if you choose to be a slave to money? Freedom is only great if you take advantage of it, use it to itâ€™s full potential and make your life the way you want it to be. So whatâ€™s the first step? The first step is realizing whatâ€™s wrong with the way you currently make money. And that is if you work a regular job, you get paid in linear income. What is linear income? It is when you get paid an X amount of money for every hour you work. The problem with this is that you must keep working 40 hours a week to keep your income, you canâ€™t stop because if you do you wonâ€™t have any money to pay your monthly expenses. This is bad, becauseâ€¦ This System Keeps You Working Because You Have To Not Because You Want Toâ€¦ So unless working at your job is your lifeâ€™s dream, Linear Income will keep you a slave to money for the rest of your life â€“ unless you decide to use your freedom of choice and do something about it. So what is the right choice to make? What will give you the freedom to quit your job, easily afford your monthly expenses and have time and freedom to travel, spend time with friend and family, concentrate on the stuff you love doing etc.? The right choice is Residual Income. Residual income is something you have to work for in the beginning, to set it up. After you set up a residual income stream, you can than leave it be while it still makes you money every single month. A good example of that would be if you buy an apartment and rent it out to a tenant. Every month, your tenant will pay the rent without you having to work for the money he pays you. Of course not everyone has the money to invest in piece of real estate just to get a passive income stream. And if you have that kind of

money lying around, chances are you are not too worried about financial freedom. Fortunately for you, there are other solutions that don't require a lot of money and will allow you to
